February 24, 2020

To Whom It May Concern,

Thank you for your donation to Treon Strong. The Treon Strong Foundation, Inc. is named for Scott Treon, who in 2016 lost his battle with Glioblastoma Multiforme, a rare and aggressive brain cancer. As a way to honor him, our mission with Treon Strong is to help others facing similar diagnoses financially, physically and emotionally during the time of their lives they need it most. The proceeds from your donation will help us help others directly, and for that we are extremely grateful.

On April 25, 2020, we are hosting a golf tournament at Mallard Head Country Club in Mooresville. We are seeking hole sponsors, a cart fleet sponsor and silent auction donations. Hole sponsorship is \$200 and we will have a sign at that hole designating your company or organization. For \$500, you can be the "Cart Fleet" sponsor and have your name on all the golf carts. Silent auction items can be anything - everything we have helps.

This particular event is raising funds to help the McKay family. This family lives in the Lake Norman area and last spring, their 17 year old son was diagnosed with the same GBM that Scott had. As you can imagine, being faced with this diagnosis as you are preparing for college is far from ideal. The McKay family meets each day with continued optimism and hope for a cure for brain cancer. Our efforts cannot ease the pain of GBM but it can ease some stress as medical bills and treatment related costs climb.

We invite you to go to our webpage, www.treonstrong.com or follow us on Facebook to keep up with our mission and this event. We also have a list of sponsors where you will be added for your generosity.

Your partnership is much appreciated.

Sincerely,

Treon Strong Foundation, Inc. Board Members
